

## Product sheet

**Anthracite grey work trousers,  
215 g/m<sup>2</sup>, 65% polyester, size  
40**

Brand: COFAN

Reference: COF 11002034-40

The Loki work trousers in anthracite grey, size 40, are designed for comfort and functionality in demanding work environments. Made from a blend of 65% polyester, 32% cotton, and 3% elastane, they offer durability and breathability. Their 215 g/m<sup>2</sup> fabric weight makes them lightweight and long-lasting. They feature multiple pockets for tools and personal items, and a raised back for added lumbar support. Available in sizes 38 to 64.

The LOKI ELASTANE 215 G/M2 WORK TROUSERS in anthracite grey are the ideal choice for those seeking a garment that combines comfort, functionality, and durability in demanding work environments. Their design has been carefully crafted to adapt to the daily pace of work, providing freedom of movement and an optimal fit. Made with a balanced blend of 65% polyester, 32% cotton, and 3% elastane, these trousers guarantee adequate breathability and elasticity that adapts to every movement, without compromising durability.

With a fabric weight of 215 g/m<sup>2</sup>, the trousers are lightweight yet robust, making them a perfect choice for long workdays. Their design includes multiple functional pockets, strategically placed for the secure storage of tools and personal items.

In addition, the raised back provides greater protection in the lumbar area, especially useful when bending over or performing repetitive movements.
