The **Frigg work shorts** are designed to provide an optimal balance of comfort, elasticity, and functionality, making them the ideal choice for warmer months or work environments that require freedom of movement. Made from a blend of **65% polyester, 32% cotton, and 3% elastane**, these shorts offer durability and breathability, along with a stretchy fit that adapts to the wearer's every movement. With a fabric weight of **215 g/m²**, they are lightweight and comfortable, preventing a heavy feeling during long workdays.

The shorts feature multiple multi-purpose pockets, designed to keep tools, personal items, and work accessories within easy reach. A front zip and button closure adds a level of practicality for everyday use. The back is slightly raised, providing extra protection in the lumbar area, especially useful when bending or working in low positions. Its dark gray design with black details is suitable for operators, installers, technicians, and maintenance personnel.
