Description

The **Yellow Cutting Board with Handle, 30x20x1.5 cm, Chips Model** is an essential tool for any kitchen. Designed in a rectangular shape, this board features beveled edges, making it suitable for contact with all types of food. Made of high-density polyethylene, it does not absorb moisture, odors, or flavors, contributing to a more hygienic cooking experience. Furthermore, its surface does not harbor resistant germs or splinter, making it a safe and durable option.

Cleaning the board is simple, as it is dishwasher safe, making maintenance easy. Its high resistance allows you to cut a wide variety of foods while protecting the edges of your knives.

The board is available in several colors, each designed to identify the type of food to be cut, helping to prevent cross-contamination:

- **Green:** ideal for fruits and vegetables.
- **White:** recommended for pasta, cheese, bread, and pastries.
- **Yellow:** perfect for white meats such as chicken and turkey.

With dimensions of 30 x 20 x 1.5 cm, this board is a practical and functional option for any home.
