Description

The 94x96x43 Surface Mounted Baseboard for 1 Element in white is an ideal solution for surface mounting electrical mechanisms. Designed to accommodate one, two, or three elements, this baseboard provides a robust and functional base that integrates seamlessly into any environment. Its minimalist design and white finish allow for easy combination with various decorating styles.

The baseboard structure is manufactured with high-quality materials, guaranteeing durability and resistance. Its versatile external dimensions facilitate installation in different spaces.

It also includes a wall plug and screw for secure and stable mounting.

- **Dimensions:** 94x96x43 mm
- **Color:** White
- **Capacity:** For 1, 2, and 3 elements
- **Channel Entries:** 10x16, 10x20, 16x25, and 25x40 mm
- **Material:** High quality and resistance
- **Includes:** Wall plug and screw for installation
- **Use:** Ideal for surface-mounted electrical installations
- **Compatibility:** Adapts to different electrical mechanisms
- **Installation:** Simple and quick

- **Style:** Modern and functional design

This baseboard is a practical and aesthetically pleasing option for those seeking an efficient solution for installing electrical mechanisms.

Specifications

Width	9
EAN	8445187240139
Manufacturer	COFAN
Weight (kg)	0,015
