

Product sheet

Adhesive warning sign 297x210mm, customizable material and variable design.

Brand: COFAN

Reference: COF A26AD297210

The adhesive warning sign measures 297 x 210 mm and is designed to alert people to the danger of falling from a height. We offer customization options for both the size and material of the sign. While the design may vary, the warning message remains constant, ensuring its effectiveness in communicating the risk. Ideal for environments where clear and visible signage is required.

Description

The 297x210mm adhesive warning sign is an essential tool for identifying hazards in work and public environments. Designed to warn of the danger of falls from heights, this sign adapts to the specific needs of each user, allowing for a choice of size and material. Its design is variable, ensuring that the message remains clear without compromising its meaning. This design flexibility allows the sign to be effectively integrated into different contexts, ensuring the warning is visible and understandable to everyone.
