Description

The "Danger Low Ceiling" polystyrene sign is an essential safety element in spaces where height is a critical factor. Made of high-quality polystyrene, this sign guarantees durability and resistance to adverse environmental conditions. Its design, although it may vary, maintains the clarity and meaning of the warning, ensuring that the message is easily understood by all users of the space.

This sign is ideal for use in buildings, warehouses, factories, and any location where ceiling height may pose a risk to people's safety.

Its size of 420x297 mm makes it visible and suitable for different environments.

- **Material:** High-strength polystyrene
- **Size:** 420x297 mm
- **Design:** Varies, but maintains the same meaning
- **Use:** Indoor and outdoor
- **Installation:** Easy to place on walls or ceilings
- **Visibility:** High, even at a distance
