Description

The 420x297mm photoluminescent sign with the text "EXIT" is an essential safety element in any space. Designed to be visible in low-light conditions, this sign ensures a clear indication of the evacuation route in emergency situations. Its adhesive backing allows for easy installation on various surfaces, ensuring the sign stays in place and is accessible at all times. Although the sign design may vary, its meaning and function remain unchanged, complying with current safety regulations.
