

Product sheet

Luminescent sign 400x100mm with text exit right and variable design.

Brand: COFAN

Reference: COF EV33LU400100

The 400x100mm luminescent sign indicates the exit to the right, ensuring clear visibility in emergency situations. Its design is adaptable to different environments while maintaining the same meaning. Made with high-quality materials, this sign is ideal for complying with safety regulations and facilitating evacuation when needed. Its brightness ensures it is easily recognizable in the dark.

Description

The 400x100mm photoluminescent sign with the text "Exit Right" is an essential tool for wayfinding and safety in public and private spaces. Designed to be visible in low-light conditions, this sign ensures that the information is transmitted clearly and effectively. Its adaptable design allows it to blend into different environments without compromising its primary function, which is to unambiguously indicate the exit direction.

The sign is manufactured with high-quality materials that ensure its durability and resistance to wear.

Its luminescence provides optimal visibility, even in emergency situations, facilitating the evacuation of people if needed.

- **Dimensions:** 400x100mm
- **Text:** "Exit Right"
- **Material:** Durable plastic
- **Luminescence:** High visibility in the dark
- **Design:** Variable, adapting to different environments
- **Installation:** Quick and easy
- **Use:** Ideal for buildings, offices, and public spaces
- **Standards:** Meets safety standards
- **Maintenance:** Requires periodic cleaning to maintain visibility
- **Durability:** Resistant to impacts and environmental conditions

This sign is a practical and effective solution to ensure the safety and proper flow of people in any facility.

Specifications

Width	10
EAN	8445187119701
Manufacturer	COFAN
Weight (kg)	0,061
