Description

The 210x148mm photoluminescent sign with the text "Emergency Exit Left" is an essential safety element in any space. Designed to ensure optimal visibility in emergency situations, this sign complies with current regulations and provides clear and effective evacuation guidance. Its size and material are customizable, allowing you to choose between a photoluminescent or adhesive option, thus adapting to the specific needs of each environment.

The sign design may vary, but its meaning remains unchanged, ensuring that critical information is effectively conveyed.

The luminescent sign is especially useful in low-visibility conditions, as its ability to glow in the dark makes it easier to identify escape routes.
