Description

The 297x210mm luminescent sign with the text "Emergency Exit Left" is an essential safety element in any space. Designed to facilitate evacuation in emergency situations, this sign guarantees optimal visibility in low-light conditions, thanks to its luminescent material. Its size and material are customizable, allowing you to choose between adhesive or other options, adapting to the specific needs of each environment. Although the sign design may vary, its meaning remains unchanged, ensuring that critical information is always clear and understandable.
