Description

The luminescent emergency exit sign, measuring 210 x 148 mm, is an essential safety element in any space. Designed to be visible in low-light conditions, this sign ensures that evacuation routes are easily identifiable in critical situations. Its adaptable design allows it to blend into different environments while maintaining clarity in the emergency exit message.

The sign's structure is made of high-quality materials that ensure its durability and resistance to wear.

The luminescence provides optimal visibility, even in the dark, which is crucial for occupant safety in an emergency.

- **Dimensions:** 210x148 mm
- **Material:** Durable and resistant plastic
- **Visibility:** Luminescent in low-light conditions
- **Design:** Variable, adapting to different environments
- **Installation:** Quick and easy, with adhesive or screws
