Description

The luminescent left-hand emergency exit sign, measuring 297x210mm, is an essential safety element in any space. Designed for visibility in low-light conditions, this sign features a clear pictogram and text indicating the direction of the emergency exit. Its design may vary, but the meaning of the sign remains constant, ensuring its effectiveness in critical situations.

The sign's structure is made of high-quality materials that ensure its durability and resistance.

Its luminescence makes it easily identifiable, even in the dark, contributing to a safe and rapid evacuation in case of emergency.

- **Dimensions:** 297x210mm
- **Material:** Durable and lightweight plastic
- **Luminescent:** High visibility in low-light conditions
- **Variable Design:** Different aesthetic options without altering the meaning
- **Clear Pictogram:** Facilitates immediate understanding
- **Installation:** Easy to place on various surfaces
- **Standards:** Complies with current safety regulations
- **Use:** Ideal for public buildings, offices, and commercial spaces
- **Durability:** Impact and environmental resistant
- **Maintenance:** It requires occasional cleaning to maintain its visibility.
