Description

The 600x600mm Cellular Polypropylene Construction Sign is an essential tool for signage in construction environments. Made from cellular polypropylene, this product offers a combination of durability and lightness, ideal for both indoor and outdoor use. Its adaptable design allows it to meet different signage needs, ensuring that the message is clear and understandable at all times.

The sign's structure is designed to withstand adverse weather conditions, guaranteeing its visibility and effectiveness over time.

Despite variations in design, the meaning of the sign remains constant, ensuring effective communication in the workplace.

- **Dimensions:** 600x600 mm
- **Material:** Cellular polypropylene
- **Use:** Signage in construction and works
- **Resistance:** High weather resistance
- **Weight:** Lightweight and easy to handle
- **Design:** Variable, with fixed meaning
- **Installation:** Easy to place on different surfaces
- **Visibility:** High visibility in low light conditions
- **Durability:** Long lifespan in demanding environments

- **Applications:** Ideal for works, construction zones, and temporary signage

Specifications

Width	60
EAN	8445187132724
Manufacturer	COFAN
Material	Polypropylene
Weight (kg)	0,23
