Description

The polystyrene prohibition sign, measuring 210 x 148 mm, is an essential tool for communicating rules in spaces where strict control over food and beverage consumption is required. Its adaptable design ensures it fits different environments while always maintaining a clear and understandable message: "No eating or drinking." This sign is ideal for use in offices, healthcare facilities, laboratories, and other places where hygiene and order are paramount.

- **Material:** High-quality polystyrene
- **Size:** 210x148 mm
- **Design:** Variable, maintaining the same meaning
- **Message:** Eating and drinking prohibited
- **Installation:** Easy to place on various surfaces
- **Durability:** Moisture and wear resistant
- **Visibility:** High contrast for easy reading
- **Use:** Ideal for work and public environments
- **Standards:** Complies with signage regulations
- **Color:** Varies depending on the design, but always with high visibility

This sign is a practical and effective solution to ensure compliance with the rules of coexistence and safety in any space.
