

Product sheet

Prohibition sign polystyrene 420x297 mm, variable design but fixed meaning.

Brand: COFAN

Reference: COF P29PL420297

The polystyrene prohibition sign measures 420 x 297 mm and is designed to indicate that parking is prohibited. While the design may vary, the meaning of the sign remains constant, ensuring its effectiveness in communicating the restriction. Made of durable material, this sign is ideal for use in public and private spaces where clear indication of parking regulations is required.

Description

The 420x297 mm polystyrene prohibition sign is an essential element for traffic regulation and safety in public and private spaces. Its variable design allows it to adapt to different contexts; however, the "no parking" message remains constant, guaranteeing the clarity and effectiveness of the visual communication. Made of high-quality polystyrene, this sign is resistant to inclement weather and prolonged exposure to sunlight, ensuring its durability and visibility in various conditions.

- **Dimensions:** 420x297 mm
- **Material:** High-quality polystyrene
- **Design:** Variable, with fixed message
- **Use:** No parking
- **Resistance:** Weatherproof and sunlight resistant
- **Installation:** Quick and easy
- **Visibility:** High, even from a distance
- **Applications:** Public and private spaces
- **Standards:** Complies with signage regulations
- **Maintenance:** Low, requires no special care

This sign is an effective tool for maintaining order and safety in any environment, ensuring that the prohibition message is clear and understandable to all users of the space.

Specifications

Width	29
