Description

The 420x297mm polystyrene sign with the crane warning is an essential element for regulation and safety in areas where the attention of drivers and pedestrians is required. This prohibition sign is designed to alert to the presence of cranes, ensuring that all users of the space understand the need to exercise extreme caution. Although the sign design may vary, its meaning remains constant, ensuring clear and effective communication.

- **Material:** High-quality polystyrene, resistant to adverse weather conditions.
- **Dimensions:** 420x297 mm, ideal size for visibility in urban and construction environments.
- **Design:** Variable, adapting to different contexts without altering its prohibition message.
- **Installation:** Easy to place on various surfaces, with options for permanent or temporary fixing.
- **Durability:** Resistant to weathering and fading, ensuring a long lifespan.
- **Visibility:** Contrasting colors that guarantee easy identification from a distance.
- **Standards:** Complies with current safety signage regulations.
- **Use:** Ideal for construction sites, loading and unloading areas, and areas where crane work is performed.
- **Maintenance:** Requires occasional cleaning to maintain its visual effectiveness.
- **Compatibility:** Can be combined with other warning signs for increased safety.

Specifications

Width	29
EAN	8445187137323
Manufacturer	COFAN
Weight (kg)	0,208
