Description

The 420x297mm polystyrene prohibition sign is an essential element for safety in aquatic environments. Designed to warn against swimming, this sign complies with safety regulations and is easily recognizable. Although the design may vary, the warning message remains constant, ensuring that the information is clear and effective for all users. Its polystyrene material ensures adequate durability in outdoor environments, resisting inclement weather and wear.

- **Dimensions:** 420x297mm
- **Material:** High-strength polystyrene
- **Use:** No swimming sign
- **Design:** Variable, but with a fixed message
- **Visibility:** High, with contrasting colors
- **Installation:** Quick and easy on various surfaces
- **Resistance:** To adverse weather conditions
- **Standards:** Complies with safety regulations
- **Applications:** Swimming pools, beaches, lakes, and other bodies of water
- **Maintenance:** Requires occasional cleaning to maintain visibility

This sign is a fundamental tool for accident prevention and the promotion of a safe environment in aquatic areas.
