Description

The polystyrene prohibition sign, measuring 210x148mm, is an essential tool for regulating access to restricted areas. Designed for high visibility, this sign effectively communicates the message "no entry to unauthorized persons." While the sign's design may vary, its meaning remains constant, ensuring that the information is conveyed unambiguously. Made of polystyrene, this material provides durability and resistance to environmental conditions, making it an ideal choice for both indoor and outdoor use.

- **Dimensions:** 210x148mm
- **Material:** High-quality polystyrene
- **Variable design:** Possibility of design variations without altering the message
- **Clear message:** "No entry to unauthorized persons"
- **Use:** Suitable for indoor and outdoor use
- **Installation:** Easy to place on various surfaces
- **Visibility:** High contrast for easy identification
- **Durability:** Weather and fade resistant
- **Standards:** Complies with signage regulations of security
- **Applications:** Ideal for businesses, construction sites, and restricted areas

Specifications

Width	14
EAN	8445187139884
Manufacturer	COFAN
Weight (kg)	0,05
