Description

The 297x210mm polystyrene sign, designed to indicate "No Parking in Loading and Unloading Zone," is an essential element for traffic regulation in specific areas. Manufactured with high-quality materials, this sign guarantees high visibility and durability, adapting to various weather conditions. Its design, although it may vary, always maintains the same clear and direct meaning, ensuring that drivers understand the parking prohibition in these critical areas.

- **Material:** High-strength polystyrene
- **Dimensions:** 297x210mm
- **Design:** Varies in appearance, but not in meaning
- **Visibility:** High visibility for easy identification
- **Use:** Ideal for loading and unloading zones
- **Installation:** Easy to install on different surfaces
- **Durability:** Resistant to adverse weather conditions
- **Standards:** Complies with road signage regulations
- **Color:** Colors that guarantee high contrast
- **Application:** Suitable for Use in urban and commercial environments

This sign is a fundamental tool for maintaining order and safety in designated loading and unloading areas, contributing to better traffic management and efficiency in logistics operations.

Specifications

Width	21
EAN	8445187180558
