Description

The 210x148mm photoluminescent sign with the text "No Exit" is an essential safety element for public and private spaces. Designed to be clearly visible, this prohibition sign ensures that the warning message is effectively communicated, regardless of its design. Its luminescence makes it easily identifiable in low-light conditions, contributing to accident prevention and the correct orientation of people in the environment.

- **Dimensions:** 210x148 mm
- **Text:** "No hay salida" and "No exit"
- **Material:** Durable and resistant plastic
- **Design:** Variable, maintaining the same meaning
- **Luminescent:** High visibility in the dark
- **Installation:** Easy to place on walls or flat surfaces
- **Use:** Ideal for buildings, offices, factories, and public spaces
- **Standards:** Complies with safety signage regulations
- **Durability:** Resistant to adverse environmental conditions
- **Color:** Contrasting background and text for better readability

This sign is a fundamental tool to guarantee the safety and proper flow of people in any type of facility, ensuring that the "no exit" message is clear and effective.
