Description

The Elba LED ceiling light combines functionality and modern design, offering a versatile lighting solution for any space. Its elegant, square structure integrates easily into different decorating styles, while its LED technology provides efficient, high-quality lighting. This ceiling light can adapt to the needs of any moment, thanks to its multiple color temperature and dimming options.

- Power: 100W
- Luminous flux: 5000 lumens
- Color temperatures: three options (CCT) to personalize the atmosphere
- Remote control included for adjusting light tone and intensity
- Night mode function for soft and discreet lighting
- Memory function that recalls the last used light setting
- Square design that adapts to different interior styles
- Quick and easy installation on standard ceilings
