Description

The Jan 40W 4650Lm CCT Dim LED ceiling light is an efficient and versatile lighting solution, designed to suit different environments such as living rooms and bedrooms. Its modern, circular design integrates easily into any décor, providing uniform and pleasant lighting. Thanks to its remote control, it allows you to adjust both the color temperature and the light intensity, making it easy to create different atmospheres depending on your needs.

- Power: 40W
- Luminous flux: 4650 lumens
- Adjustable color temperature (CCT): allows you to select between different light tones
- Dimming function: allows you to regulate the light intensity
- Night light mode: option for soft and dim lighting
- Color memory: retains the last light setting when turned off and on again
- Modern circular design: adapts to various decorating styles
- Easy installation: compatible with most standard ceilings
