Description

The Fabi Grey LED ceiling light combines contemporary design with functionality, offering a versatile lighting solution for various spaces. With a diameter of 78 centimeters, its boho chic aesthetic suits the decor of living rooms and bedrooms, while its LED technology guarantees efficient and long-lasting performance.

- **Power:** 80W, providing powerful and effective lighting.
- **Luminous flux:** 5500 lumens, ensuring uniform light distribution in the room.
- **Color temperatures:** selectable between 3000K (warm white), 4000K (neutral white), and 6000K (cool white) via the wall switch.
- **Design:** circular with a shade of interwoven gray fibers, which adds an aesthetic and modern touch.
- **Lighting type:** integrated LED, which offers a diffused and pleasant light, preventing glare.
- **Installation:** Suitable for ceiling mounting, facilitating its integration into different types of spaces.

This ceiling light stands out not only for its attractive design, but also for its ability to adapt to the lighting needs of each moment, thanks to its selectable color temperature functionality.
