Description

The CCT Draco 226W LED Ceiling Light is a versatile and efficient lighting solution, designed to adapt to various ambiance needs in interior spaces. Its integrated LED technology allows for reduced energy consumption while offering high-quality illumination. This ceiling light stands out for its customization capabilities, making it easy to create different atmospheres according to the user's preferences.

- Power: 226W, providing powerful and uniform lighting.
- Color temperatures: Three options (cool, neutral, and warm) to adjust the ambiance to suit the occasion.
- Remote control: Includes a remote control that allows you to adjust both the light tone and intensity.
- Night mode: Special function that offers soft and dim lighting, ideal for moments of rest.
- Memory function: Remembers the last lighting settings used, making it easy to use every day.
- Decorative design: Modern structure that easily integrates into different decorating styles.
- Easy installation: Designed for quick and easy installation on ceilings of various heights.
