

## Product sheet

**ACTI9 80 A connection comb, 48 modules, horizontal mounting, IP20, 1 1P + N**

Brand: SCHNEIDER

Reference: IMPO A9XPA648

The Acti9 busbar is a key component for electrical circuits, designed to facilitate a safe and efficient connection between circuit breakers. Its robust construction and insulated design ensure optimal performance in demanding environments, complying with international safety and quality standards.

[View product online](#)**Description**

The Acti9 connection comb is an essential component for electrical installation, designed to provide an efficient and safe connection between circuit breakers. Its robust construction and advanced technical features guarantee optimal performance in various electrical applications.

- Range: Acti9
- Product type: Connection comb
- Pole configuration: 1 1P + N
- Total number of modules: 48 (18 mm each)
- Rated operating current: 80 A at 40 °C
- Rated operating voltage: 230 V AC Phase/N
- Rated insulation voltage: 400 V AC according to IEC 61439-1
- Peak voltage withstand: 4 kV
- Mounting type: Horizontal
- Dimensions: Height 29 mm, Width 862 mm, Depth 26 mm
- Weight: 365 g
- Protection rating: IP20 with end pieces and tooth covers
- Standards: EN/IEC 60439-1
- Fire resistance: 960 °C (30 s) according to IEC 60695-2-1

**Specifications**

|                   |               |
|-------------------|---------------|
| Rated current (A) | 80            |
| EAN               | 3606489443641 |
