Product sheet

ACTI9 80 A connection comb, 48 modules, 862 mm, horizontal mounting, IP20

Brand: SCHNEIDER

Reference: IMPO A9XPA748

The Acti9 busbar is a key component for electrical distribution, designed to facilitate connections between circuit breakers. Its robust construction and ease of installation ensure reliable performance in a variety of applications, guaranteeing a safe and efficient connection in horizontally mounted electrical systems.

Description

The Acti9 Connection Comb is an essential component for electrical distribution, designed to provide an efficient and safe connection between circuit breakers. This accessory from the Acti9 range is characterized by its robustness and ease of installation, making it a reliable choice for various electrical applications.

- Product type: Connection comb
- Pole configuration: 1 1P + N
- Total number of modules: 48 (18 mm each)
- Connection: 3L + N
- Rated current: 80 A at 40 °C
- Rated voltage: 230 V AC Phase/N
- Insulation voltage: 400 V AC according to IEC 61439-1
- Peak voltage withstand: 4 kV
- Dimensions: 862 mm (width) x 29 mm (height) x 26 mm (depth)
- Weight: 521 g
- Protection rating: IP20 with end caps and tooth covers
- Standards: Complies with EN/IEC 60439-1
- Fire resistance: 960 °C (30 s) according to IEC 60695-2-1

Specifications

Rated current (A)	80
EAN	3606489443634
