Description

The silverfish trap is an effective and safe solution for combating these insects in your home or workplace. Designed for ease of use, this trap requires no chemicals, making it a safe option for families and pets.

We recommend using it in areas such as kitchens, bathrooms, and pantries where these insects often appear. Each package contains 4 units, allowing you to cover multiple areas at once.

- Material: high-quality adhesive
- Dimensions: 10x15 cm
- Compatibility: suitable for any flat surface

Don't let silverfish invade your space. Get your trap today and keep your home pest-free!
