Description

The E27 table base with cable and switch is the perfect solution for those seeking a versatile and aesthetic option. Its black design and dimensions of ø120 x 85mm make it ideal for any space.

We recommend using it in table lamps, wall sconces, and other lighting devices. It is compatible with E27 bulbs and has an IP20 protection rating, making it suitable for indoor use.

With simple installation and an integrated switch, this base is not only practical but also adds a modern touch to your decor. Get yours and transform your space!
