Description

Our arugula seeds are perfect for those looking for easy and fast cultivation at home. With a high germination rate, these seeds will allow you to enjoy fresh leaves in no time.

We recommend sowing them in spring and autumn, in well-drained soil with good sun exposure. Arugula is ideal for salads, sandwiches, and as a side in gourmet dishes.

Compatible with both pot and ground cultivation, our seeds are a versatile option for any gardener. Order today and start your urban garden!
