Description

The flexible grease fitting with steel braid of 400 mm is the perfect solution for lubrication tasks in tight spaces. Its flexible design allows easy access to hard-to-reach areas, while the steel braid ensures superior resistance to pressure and wear.

This product is ideal for mechanical workshops, industrial maintenance, and home use. It is compatible with a wide range of lubrication tools, making it a versatile and essential accessory.

Don't miss out on yours and enhance the efficiency of your lubrication tasks!

Specifications

EAN	8427429510361
