Flexible grease fitting with steel braid 500 mm

Brand: FAHER

Reference: EDM 99948

Flexible fitting ideal for lubrication systems.

- High strength and durability.
- Easy installation and use.
- Compatible with various applications.
- Optimized design for efficient flow.

Description

The flexible grease fitting with steel braid of 500 mm is the perfect solution for ensuring optimal performance in lubrication systems. Its robust and flexible design allows for easy adaptation to different configurations, ensuring a constant and efficient flow.

Recommended for industrial machinery, vehicles, and high-demand equipment. This fitting is compatible with a wide range of lubricants and oils, making it a versatile option for industry professionals.

Invest in quality and durability. Enhance your equipment's performance with our flexible fitting.

Specifications

EAN	8427429510378
Manufacturer	FAHER
Material	Steel
