Description

The Pack of 100 DIN-985 Locking Hex Nuts C-8 M-14/150 is the perfect solution for your fastening needs. These nuts are designed to provide a secure and durable hold, thanks to their zinc-coated steel finish that offers corrosion resistance.

Recommended for use in construction, maintenance, and repair projects, these nuts are compatible with fine-thread screws, ensuring a perfect fit. Their locking design prevents loosening, ensuring the stability of your assemblies.

Don't miss out on this essential in your toolbox. Take advantage of our offer and order your pack today!
