Description

The DIN-985 C-8 locking hex nuts are essential for ensuring a firm and lasting fit in various applications. This pack of 5 units is perfect for professionals and DIY enthusiasts.

Recommended for use in machinery, metal structures, and construction projects, these nuts provide excellent strength and durability thanks to their zinc finish. With sizes ranging from 1/4 to 1, they are compatible with a wide range of metric screws.

Get this pack and ensure quality in your projects.
