Description

This pack of 200 DIN-936 M-14 zinc plated nuts is perfect for those seeking quality and strength in their projects. Made from zinc plated steel, these nuts are ideal for both industrial and home applications.

With a compact size of 10x15 cm, they are easy to store and handle. Their compatibility with M-14 screws makes them versatile for various needs. Additionally, the zinc finish provides excellent corrosion resistance.

Don't compromise on the quality of your projects. Purchase this pack and ensure the durability of your connections!

Specifications
