Description

The pack of 5 third point pins is the perfect solution for attaching implements and agricultural machinery. Made from galvanized steel, these pins offer high durability and strength, ensuring optimal performance under demanding conditions.

Recommended for use on tractors and other agricultural equipment requiring a reliable attachment system. Each pin features a 12 mm diameter hole for an 11 mm pin and a folding ring that ensures safety during use.

Don't compromise on your machinery's quality, choose our pins for superior performance.

Specifications

Colour	Steel
