Description

The pack of 5 double interchangeable bolts is the perfect solution for attaching implements and agricultural machinery. Made from galvanized steel, these bolts offer high strength and durability, ensuring optimal performance under demanding conditions.

We recommend their use on tractors and other agricultural equipment requiring a robust attachment system. With two 12 mm diameter holes, they are compatible with 11 mm pins, making installation and use easy.

Don't compromise on the quality of your machinery; choose our interchangeable bolts to ensure efficient operation.

Specifications

Colour	Steel
EAN	8445187351507
Manufacturer	COFAN
Material	Zinc-plated steel
