Description

The pack of 12 zinc-coated conical steel tips 1.5x20 is the perfect solution for those seeking quality and performance in their projects. These tips are ideal for drilling and fastening in a variety of materials, thanks to their conical design that ensures efficient penetration.

Recommended for use on wood, metal, and plastic, these tips offer high corrosion resistance and are compatible with most power tools. Their blister packaging makes storage and quick access easy.

Don't compromise on the quality of your work, choose our conical steel tips and experience the difference in every drilling.
