Description

The pack of 500 conical steel tips 2.0x50mm is the perfect solution for professionals and DIY enthusiasts. Its conical design allows for easy penetration into various materials, ensuring a clean and professional finish.

We recommend using it for carpentry projects, construction, and general repairs. These tips are compatible with most nail tools and provide excellent holding power.

With superior strength thanks to its zinc coating, these tips are ideal for both indoor and outdoor work. Don't miss the chance to enhance your toolbox with this economical pack.
