Description

The Pack of 100 EPDM sealing washers 16x5.5mm is the perfect solution for ensuring waterproofing in industrial and construction applications. These washers are designed to be used with self-drilling screws, offering exceptional compatibility with hole sizes ranging from 4.8 to 8mm.

Made from EPDM material, they provide high weather resistance, making them ideal for outdoor use. Recommended for roofs, plumbing systems, and metal structures, these washers ensure an effective and durable seal.

Get this pack and enhance the quality of your installations with a reliable and durable product.
