

Product sheet

Pack of 10 quick reduction plastic couplings T-10/8

Brand: COFAN

Reference: COF 05011008

Quick couplings ideal for compressed air installations.

- Easy connection and disconnection.
- Compatible with pipes from 4 mm to 12 mm.
- High safety and tightness.
- Clear visibility of pipe gauge.

Description

The pack of 10 quick reduction plastic couplings T-10/8 is the perfect solution for compressed air installations. These couplings provide instant and secure connections, ensuring optimal performance in demanding conditions.

Recommended for pipes with diameters from 4 mm to 12 mm, these couplings are easy to install and allow for quick visibility of the pipe gauge. Their fully plastic design ensures high resistance and tightness.

Optimize your installations with quality products and ensure efficient operation. Order now!

Specifications

EAN	8445187053142
Manufacturer	COFAN
