Description

The Pack of 2 T-10 Adjustable Elbow Adapters is the perfect solution for those seeking flexibility and efficiency in their electrical connections. Its design allows for a 90° mechanical coupling, making installation in tight spaces easier.

We recommend using it in residential and commercial electrical installations, where adaptability is key. With dimensions of 2 cm in height, 6 cm in width, and 8 cm in depth, these elbows are compatible with a variety of electrical systems.

Don't compromise on the quality of your connections. Order your pack today!
