Description

The Pack of 5 Plastic Threaded T Connectors is the ideal solution for quick and secure connections in compressed air installations. Its design allows for instant connections for tubes ranging from 4mm to 16mm, ensuring total safety and leak-proof performance even under extreme conditions.

We recommend its use in compressed air systems and industrial applications where reliable connections are required. This product features a fully metallic body that provides clear visibility of the tube gauge, making installation and maintenance easier.

- Dimensions: 2cm height, 6cm width, 9cm depth.
- Compatible with various tube diameters.

Don't compromise on the quality of your installations; choose our T connector pack for a secure and efficient connection.

Specifications

EAN	8445187054132
Manufacturer	COFAN
Material	Plástico
