Description

The Pack of 5 Threaded Plastic T Connectors is the perfect solution for your compressed air installations. Designed for quick and secure connections, these fittings are compatible with tubes of outer diameter from 4mm to 16mm. Their robust construction ensures durability and optimal performance in demanding conditions.

We recommend their use in both industrial and home applications, where safety and sealing are paramount. With their fully metallic body, you can easily visualize the tube's gauge, ensuring correct installation. Don't compromise on connection quality; choose our connectors and enjoy exceptional performance.

Specifications

EAN	8445187054217
Manufacturer	COFAN
Material	Plástico
