Description

The normal aluminum rivets 6.4 x 22 mm are the perfect solution for efficiently joining different materials. This pack of 250 units is ideal for professionals and DIY enthusiasts looking for a reliable and easy-to-use option.

We recommend their use in applications where specific tightening is not required, such as joining metal sheets, plastics, and other materials. Their high corrosion resistance ensures long durability in various conditions.

Compatible with standard riveting tools, these rivets are a versatile option for any project. Take advantage of our offer and enhance your joins today!
