Description

The pack of 500 aluminum multigrip rivets 4 x 14 mm is the perfect solution for riveting materials exposed to high loads and vibrations. Its steel zinc-plated shank ensures high strength and durability.

These rivets are ideal for industrial and DIY applications, providing optimal hole filling and secure locking when forming the closure head.

- Compatible with various surfaces.
- Easy installation and handling.
- High efficiency in riveting.

Don't miss the chance to enhance your projects with this quality rivet pack.

Specifications
