Description

The pack of 500 aluminum blind rivets 4 x 16 mm is the perfect solution for secure joints in your DIY and construction projects. Its knurled design allows for superior grip in materials with non-through holes, ensuring a robust and durable fastening.

We recommend using these rivets in applications where a firm and reliable fastening is required. They are compatible with various surfaces and are ideal for metal and plastic work.

With easy installation and high performance, this pack is a smart choice for professionals and DIY enthusiasts. Take the opportunity to acquire quality and efficiency!
