Description

The 4x10 mm flower rivets are the perfect solution for joining soft materials efficiently. Their four-petal design allows for a larger support surface, ensuring a strong and durable hold.

Recommended for use in carpentry, upholstery, and DIY projects, these rivets are compatible with a variety of materials such as wood and plastic. Their installation is straightforward and requires no special tools, making them an ideal choice for both professionals and DIY enthusiasts.

Don't miss the chance to enhance the quality of your joints. Order your pack of 1000 units today!
