Description

The 4.8 x 16 mm flower rivets are the perfect solution for effectively joining soft materials. Their four-petal design provides a larger support surface, ensuring a strong and durable hold.

Recommended for use in applications such as carpentry, upholstery, and DIY projects. These rivets are compatible with various installation tools and are ideal for both professional and home use.

Get this pack of 500 units and ensure quality in your projects. Don't miss out!
