Description

The 4.8 x 35 mm flower rivets are the perfect solution for efficiently joining soft materials. Their four-petal design ensures a larger support surface, making them ideal for applications requiring a strong and durable hold.

We recommend using them in DIY projects, construction, and repairs. These rivets are compatible with a variety of materials, ensuring optimal performance in every application.

Don't miss the chance to enhance your projects with these high-quality rivets. Buy now and ensure strong, lasting connections!
