Description

The low-profile A-2 rivet nuts provide an excellent solution for discreet and durable fastening. Made from high-quality A2 stainless steel, they ensure long-lasting durability and corrosion resistance, making them suitable for both industrial and home applications.

Recommended for use with metal sheets, tubes, and plastics, their grooved design prevents rotation, ensuring a solid grip. Available in various metrics, they are versatile and adapt to different projects.

Get your pack of 500 units and ensure quality in your fastenings!
